- Congratulating
- Saying goodbye

GRAMMAR

- As soon as

TOPICS

- Celebrations
- Applications
- Farewells

UNIT 20: Revision and extension

Grammar/Function/Topic, Index

ABOUT TUTTLE

“Books to Span the East and West”

Our core mission at Tuttle Publishing is to create books which bring people together one page at a time. Tuttle was founded in 1832 in the small New England town of Rutland, Vermont (USA). Our fundamental values remain as strong today as they were then—to publish best-in-class books informing the English-speaking world about the countries and peoples of Asia. The world has become a smaller place today and Asia’s economic, cultural and political influence has expanded, yet the need for meaningful dialogue and information about this diverse region has never been greater. Since 1948, Tuttle has been a leader in publishing books on the cultures, arts, cuisines, languages and literatures of Asia. Our authors and photographers have won numerous awards and Tuttle has published thousands of books on subjects ranging from martial arts to paper crafts. We welcome you to explore the wealth of information available on Asia at www.tuttlepublishing.com.

Preface to First Edition In an increasingly international world, being able to communicate in English is nowadays a necessity in social, professional and business life. Competence in English creates an increasing range of business, travel and leisure opportunities, opening doors to international communication.

This book is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively.

English Made Easy gives learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using the combinations of pictures and text to discover for themselves how English works.

The *English Made Easy* method is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. The *English Made Easy* team is confident that the books represent a significant development in English language learning.

—Professor Christopher N. Candlin, Macquarie University

Introduction to this Second Edition This is a book that keeps its promise. It makes learning English easy.

People today learn English for a wide variety of purposes. You may use English in your work, live in an English-speaking country, or be planning to visit one. Whatever your purpose, *English Made Easy* is a perfect way to learn basic skills in English language communication.

English Made Easy does not teach grammar. It teaches you how to use English. Grammar informs the way that the book is structured, but the authors believe that, especially at beginner level, new students do not need to clutter their learning with grammatical labels and rules. They learn by observing, discovering and practicing how language is used.

English Made Easy uses the universal language of pictures to present language in the contexts in which it is used. Students learn the meaning of what is written by studying how language is used in the pictures. Real life social situations are broken down into their simplest parts so that students quickly see how the language works and relate it to their own needs. It's actually fun!

English Made Easy can be used by an individual student or by a group of learners in a conversation group or classroom with a teacher. Because students don't need to know the grammar before they start, it is easy to guide learners through the pages of *English Made Easy* or for learners to use it for self study.

The first edition of *English Made Easy* has been popular with learners and teachers all over the world. The second edition is even easier to use. It has been improved with some corrections and new information on the introductory page to each unit. The table of contents shows the functions, grammar and topics covered in each unit.

The first page of each unit outlines what you can expect to learn from the unit. It includes word lists and a note about the grammar in the unit. This note is for information only and need not be learned by the student. Some of the units also contain brief fill-in exercises, and every fifth unit provides practice activities for revision and extension. Answers are provided. The index refers students to the unit in which the word is

introduced.

To all our learners, wherever you are and however you use this book,
we wish you every success!

—Jonathan Crichton and Pieter Koster

UNIT 1: Here's a letter for you.

In this unit you will learn the following: • How to talk about family members • How to communicate with friends

Here are the words you will learn to use:

airmail	cat	envelope	invitation	off	put	to
all	chair	fax	land	on	quickly	uncle
aunt	close	from	letter	open	sister-in-law	want
bill	cousin	grandfather	letterbox	parcel	sofa	
brother-in-law	daughter-in-law	grandmother	nephew	postcard	son-in-law	
card	email	holidays	niece	postman	stamp	

Here are some phrases you will learn to use:
